

CSWC Operational Period Summary

1800 August 24 2014 to 0600 August 25 2014

Magnitude 6.0 Earthquake, American Canyon, Napa County

Photo Credit: CBS San Francisco

SITUATION SUMMARY

Magnitude 6.0 Earthquake, American Canyon, Napa County

SITUATION UPDATE

On Sunday, August 24, 2014, at 0320 Hours PST, a magnitude 6.0 earthquake struck five miles northwest of American Canyon, CA. The earthquake nucleated at a depth of 10.8km. The shaking intensity in American Canyon and Napa from the “South Napa Earthquake” was a “VII” on the Modified Mercalli Scale, suggesting very strong shaking occurred in the Napa County area. Ground shaking was felt as far south as Salinas, east to Sacramento, and north to Ukiah. USGS estimates that aftershocks should be expected for the next week.

The Cal OES Earthquake and Tsunami Duty Officer is in contact with the United States Geological Survey and California Geological Survey and will provide updates as new information becomes available.

Area Weather Forecast

- Quiet weather is expected across the San Francisco and Monterey Bay Region all work week
- Currently have a slight chance of rain for the weekend.
- Highs will be in the 60s and 70s at the coast with 80s to mid-90s inland for most cities.
- Friday and Saturday temperatures in the lower 100s are possible for far southern and interior regions.

Access and Functional Needs:

Critical Concerns:

- Accessibility for the Points of Distribution (POD) of water and food, including considerations for bus routes, parking, entrances, and restrooms (if open to the public) is a concern. A plan for those that cannot get to the POD and an accessible plan for communicating how to request assistance may be needed.

SITUATION SUMMARY

Magnitude 6.0 Earthquake, American Canyon, Napa County Cont.

Damage

County of Napa:

- 90+ single family homes – red tagged.
- 100+ single family homes – yellow tagged.
- Boil Water Notice to residents that have lost water pressure.

City of Napa:

- State Water Resourced Control Board is working with the City of Napa to confirm the number of leaks in water systems.
- City crews are assessing infrastructure damage and damage to homes and other buildings.

Historic Buildings Damaged:

- Sam Kee Laundry
- Goodman Library
- Napa County Courthouse
- Other buildings in the downtown area appear to be severely damaged. Drop boxes for debris will be placed at all public schools.

City of Vallejo:

- Vallejo is conducting building assessments, mostly glass and building façades. Wide spread damage in older part of town, mostly chimneys.
 - 1 large building compromised.
 - 1 downtown structure collapsed-street blocked off.
 - Failed from roof to ground level making structure unstable.
 - All occupants sheltered through Red Cross.
 - 50% of the brick chimneys are down in downtown.
 - USFS reports Mare Island sustained water damage and will be closed for 2 days.
 - EOC went to Level 2 after 1800 OA Conference call.

SITUATION SUMMARY

Magnitude 6.0 Earthquake, American Canyon, Napa County Cont.

Evacuations/Shelters

- 1 building in Vallejo was evacuated, all occupants sheltered with Red Cross.
- American Red Cross shelter has been established at Crosswalk Community Church, located at 2590 First Street, Napa, CA; overnight shelter population per California Dept. of Social Services: 9
- Pets can be sheltered at the Napa County Animal Shelter on Hartle Court, Napa, CA.

Health and Medical

- Power is restored at the Yountville Veterans Home.
- Napa Valley Care Center is using generators for power.
- St. Helena Hospital: “Do Not Drink Water” notice for hospital water system pending bacterial results on Monday August 25, 2014.

SITUATION SUMMARY

Magnitude 6.0 Earthquake, American Canyon, Napa County Cont.

Railways

Per the California Public Utilities Commission (CPUC) Rail Safety Program:

- Union Pacific inspected tracks and no issues reported.
- Burlingame Northern Santa Fe Freight Railway opened most tracks. No issues reported. Two subdivisions have not yet been opened because they still need to have the bridges inspected.
- CA Northern Railroad – No damage reported. Track inspections are being conducted.
- Sonoma-Marin Area Rail Transit (SMART) – No trains running until at least Tuesday.
- Napa Valley Railroad: Heavy damage to Napa Station. No trains running until inspections are performed.
- Amtrak has been notified that they can run trains again, with the exception of the Coast Starlight which operates on the Coast Subdivision.

SITUATION SUMMARY

Magnitude 6.0 Earthquake, American Canyon, Napa County Cont.

Dams

- Monticello Dam is a Federal Bureau of Reclamation Dam.
- As of 08/24/14 at 0630 hours, there are no specific reports of damage related to the earthquake.
- Per standard protocol, a damage assessment is ongoing and updates will be provided by DWR.
- Due to the earthquake, Department of Water Resources (DWR) Flood Operations Center asks that local reclamation districts initiate appropriate inspection activities on their levees and report any damage or concerns through the SEMS process to their Operational Area.

Hazmat

- Refineries all clear.
- Pipelines clear.
- Marine terminals all clear.

SITUATION SUMMARY

Magnitude 6.0 Earthquake, American Canyon, Napa County Cont.

Power and Utilities

Pacific Gas and Electric (PG&E)

Emergency Operations Center remains activated.

Electric:

- Approximately 7,500 customers remain without power.
- From a peak electrical outage of approximately 70,000 customers, 62,500 have been restored as of 1723 hours on August 24, 2014.
- Service essentially restored for all originally impacted customers in Solano County.
- In Napa County, target for restoration is Monday for residences/business that are not damaged and can accept restoration.

Gas:

- As of 1800 hours on August 24, 2014, of approximately 889 service calls, 713 have been addressed.
- Transmission systems were inspected to insure system integrity.
- Leak detection sweeps continue to be deployed to detect distribution leaks, and crews are standing by to repair immediately as needed.
-
- Per CUEA Water - East Bay Municipal Utilities District (EBMUD) has provided one representative at the Operational Area and one representative at the REOC and the SOC.

SITUATION SUMMARY

Magnitude 6.0 Earthquake, American Canyon, Napa County Cont.

Power and Utilities (Continued)

Water Concerns

- Early estimates show that approximately 500 people in Napa are out of water. It will likely take 3-5 days for water to be returned at some locations and an additional 48 hours for bacteriological testing to be completed to lift the precautionary BWN.
- The City is implementing locations where potable water can be obtained for those residents without water.
- Per SWRCB Drinking Water Program: The City of Napa is experiencing severe losses due to approximately 20-40 distribution leaks. They do not believe that they are facing an immediate water outage; however, that could be the case if the leaks are not contained in a short-period of time. The City of Napa serves approximately 90,000 people.
- The State Water Resources Control Board's Division of Drinking Water, in collaboration with the City of Napa PWS is issuing a precautionary BWN to those residents that have lost water pressure. This means that when water service is returned residents in impacted areas, as a precaution, should boil their water until such time as bacteriological testing can be completed to ensure that their water supplies are not compromised.

SITUATION SUMMARY

Magnitude 6.0 Earthquake, American Canyon, Napa County Cont.

Road Closures

- All bridge and major roads open.
- Mobilizing emergency contracts for minor repairs.
- Minor damage to on-ramp/off- ramps of the Napa River Bridge as well as the George Butler Bridge.
- Highway 12 sustained minor damaged but is open to all traffic. Repairs if needed will start 08/25/14.

Schools Status/Closures

- All Napa County schools will be closed on Monday, August 25th.

SITUATION SUMMARY

Magnitude 6.0 Earthquake, American Canyon, Napa County Cont.

Deployments

- Blue IST staffed SOC for B Shift 8/24/2014.
- Red IST staffing SOC A Shift 8/25/2014
- White IST is deployed to the Coastal Region EOC.
- FEMA National IMAT is deployed to SOC.
- FEMA deployed liaison officers to State EOC and to CA Coastal REOC.

Activations

- The State Operations Center is activated at Level 3.
- The Coastal Region Emergency Operations Center (REOC) went to duty office status overnight and will return to Level 3 at 0800 8/25/2014.
- Napa County EOC reactivated at 0530 hours at a Level 2.
 - The City of Napa EOC is activated at Level 2.
- County of Solano EOC activated at a level 1.
- FEMA Region XI RRCC was activated all night to a level 3. No ESFs will be activated at this time.

Proclamations:

- The Governor declared a State of Emergency, 08/24/14.
- The County of Napa declared a Local Emergency, 08/24/14
- The City of Vallejo (located in Solano County) declared a Local Emergency, 08/24/14.

Mission Status:

- 17 Missions requested, 11 on scene
- 1 closed, 1 released and demobilized.
- 4 coordinating to be filled

SITUATION SUMMARY

Governor Brown Declares State of Emergency for Northern California Wildfires

On 08/02/14, Governor Brown issued an emergency proclamation for the state of California due to the effects of wildfires in El Dorado, Amador, Butte, Humboldt, Lassen, Madera, Mariposa, Mendocino, Modoc, Shasta, and Siskiyou counties that have burned thousands of acres, destroyed homes and other structures and damaged critical infrastructure.

Cal OES Activations Due to Wildfires

- Cal OES Fire EOC is activated in support of statewide fires.
- The Inland REOC is activated at Level 2, Monday – Friday, 0800-1800 hours.
- The SOC is activated at Level 1

Inland Region

Inland Region is coordinating with Recovery staff and Counties of Modoc, Lassen, Shasta and Siskiyou to enter Initial Damage Estimate information into Cal EOC. Recovery Staff will arrive in Northern CA (Modoc) on Tuesday August 19 to begin working directly with local government and Inland Region Staff on IDE data. Tentative dates for FMAG briefings are August 27 & August 28.

- Robert Larsen, Cal OES Recovery, has been deployed to Mariposa County due to the El Portal Fire and is scheduled to return 8/23/14
- Inland Region staff worked with Madera County to enter IDE information into Cal EOC.

Cal OES / CNG Mission Tasking for Additional Firefighting Capabilities

- All California National Guard personnel and air assets have been deactivated.

2014-FIRE-4773, EMAC Request #774-RR-3432

New Mexico Type I fixed wing RC26 aircraft with infrared flight for imagery recording of fires. The Aircraft will be assigned to perform imagery of the areas in real time coverage in the counties of El Dorado, Placer, Nevada, Yuba, Sierra, Butte, Plumas, Tehama, Shasta, Lassen, Trinity, Modoc Humboldt, Del Norte, and Mendocino. 8/15/14: REQ-A completed

SITUATION SUMMARY

Klamath Fires (Beaver, Little Deer, July, Happy Camp Complex, Man, Frying Pan)

- CalOES Mission # 2014-IREOC-4568 - Siskiyou County APCD.
- Monitors remain in place at Somes Bar, Mt Shasta City, Six Rivers, Happy Camp, and Klamath.
- An additional monitor was deployed in Sawyers Bar on 8/20
- PM2.5 levels at Klamath, Happy Camp and Sawyers Bar have spiked regularly in the very unhealthy to hazardous range.

Shasta - Trinity - Lassen Fires (Bald, Eiler, and Day)

- CalOES Mission # 2014-IREOC-4578 - Shasta County APCD.
- Demobilized monitors in Fall River Mills and Burney.
Monitors remain in place at Macdoel and Weed
PM2.5 levels are at or near background.

Lodge Complex Fire

CalOES Mission # 2014-IREOC-4605 - Mendocino County APCD.
Monitors remain in place in Laytonville and Leggett
PM2.5 levels are intermittently moderate to unhealthy.

SITUATION SUMMARY

NORTHERN CALIFORNIA FIRES

Oregon, Vegetation Fire, Trinity County (New)

Hwy 299 W, 2 miles west of Weaverville

Per CAL FIRE, Cal OES Duty Officers, and ICS-209 as of 08/25/14 at 0417 hours.

FRA

- 650 acres, brush and timber, 0% contained
- Rapid rate of spread
- Fire is burning to the north of the town of Weaverville
- Threatened Structures: 500 Single Residences, 20 Mixed Commercial/ Residential
- Destroyed Structures: 1 Other Minor Structure
- Multiple commercial structures threatened in area, including Weaverville High School and Weaverville Airport.
- VLATs (Very Large Air Tanker) ordered
- A Fire Management Assistance Grant (FMAG) was submitted to Cal OES on 08/24/14 and approved by FEMA Region IX on 08/25/14 at 0009 hours.
- [See Fire Activity Section for detailed information.](#)

SITUATION SUMMARY

NORTHERN CALIFORNIA FIRES

Eiler, Vegetation Fire, Shasta County (Final)

12 miles southeast of Burney in the Hat Creek area

Per CAL FIRE, Cal OES Duty Officers, and ICS-209 as of [08/24/14 at 1719 hours](#):

SRA and FRA

- 32,416 acres timber, [100%](#) contained
- Unified Command Type 4 IMT CAL FIRE and USFS
- Destroyed Structures: 7 Single Residences, 2 Commercial Properties and 12 Other Minor Structures
- The approved FMAG number is FEMA-5067-FM-CA. The agreed upon incident period for the Eiler FMAG is August 2 through (Midnight) August 16, 2014.

2014-IREOC-4578, (3) Portable E-BAM Smoke Monitors deployed on 08/04 to Lakehead, Burney, and Fall River. Two E-BAMs (Fall River Mills and Burney) were demobilized on 8/20.

Happy Camp Complex, Vegetation Fire, Siskiyou County (Update)

Happy Camp District, Klamath National Forest

Per CAL FIRE, Cal OES Duty Officers, and ICS-209 as of [08/25/14 at 0547 hours](#).

FRA

- [22,670](#) acres, [20%](#) contained
- Type 2 IC assigned
- Expected Containment: 09/08/2014
- Approximately 40 fires in the Complex
- Threatened Structures: 695 Single Residences, 28 Nonresidential Commercial Properties, 20 Other Minor Structures
- Per CUEA, no threat to communication infrastructure or power lines
- No CAL FIRE resources committed
- [See Fire Activity Section for detailed information.](#)

SITUATION SUMMARY

NORTHERN CALIFORNIA FIRES

July Complex, Siskiyou County (Update)

4 miles southeast of Sawyers Bar

Per CAL FIRE, Cal OES Duty Officers, and ICS-209 as of 08/25/14 at 0547 hours:

FRA

- 35,385 acres, 49% contained
- Federal Type 1 IMT is in command
- Expected Containment: 08/30/2014
- Threatened Structures: 140 Single Residences, 6 Nonresidential Commercial, 71 Other Minor Structures
- Destroyed Structures: 2 Other Minor Structures
- [See Fire Activity Section for detailed information.](#)

KNF Beaver Incident, Siskiyou County (No Change)

Klamath River, Beaver Creek

Per CAL FIRE, Cal OES Duty Officers, and ICS-209 as of 08/24/14 at 1638 hours:

FRA

- 32,496 acres, 97% contained
- Type 2 IMT is in command
- Expected Containment: 08/24/2014
- Threatened Structures: None
- Destroyed Structures: 6 Other Minor Structures
- **2014-IREOC-4568**, (6) Portable E-BAM Smoke Monitors: (2) deployed on 8/4; (2) deployed on 8/5; (2) deployed on 8/12. The mission is ongoing and supports multiple fires within Siskiyou County.

SITUATION SUMMARY

M/V PINE GALAXY Maritime Incident (Update)

08/24/14 at 1615 hours:

A 485 foot chemical tank vessel experienced a maintenance room fire and as a result the vessel has loss of electrical power and propulsion. The vessel is under tow toward San Francisco Bay. Crew: (1) dead - buried at sea. 21 crew members remaining are healthy and secure. Requests to the State of California/Local Government from Unified Command: Cal OES Ports and Harbors ESC: Cal OES Ports and Harbors is the Unified Command's Liaison Officer: Unit consists of City and County of San Francisco (R. Dudgeon) and the Port of San Francisco (S. Sansom) (by phone). Local, Regional, State and Federal Parks, and several marine sanctuaries. San Francisco's EOC is not activated. On Monday the the Liaison Unit will have additional reps from Bay Area Counties. Proposal: The counties may be requested by the Unified Command to staff the Liaison Unit as the vessel nears San Francisco Bay. In addition a recommendation from the Unified Command and Coastal Region (Cal OES) for EOCs to low level activate through county reps in the Liaison Unit. The vessel's cargo is secure. The vessel will be towed to repair facilities in San Francisco. ETA for the vessel is pushed back due to bad weather on the high seas. Better weather forecast for Monday. [ETA: Tuesday/Wednesday. The Unified Command remains activated through the INDEX of this incident.](#)

- USCG Sector SF has stood up a Unified Command and Incident Command Post at Sector offices, including a Potential Places of Refuge (PPOR) Unit under Planning. This PPOR unit conducted a Places of Refuge Assessment using the PPOR Tool from the USCG Commandant Instruction 16451.9. PPOR Unit Recommendations are consistent with the proposed tow plan specifying breaking tow and reconfiguring tug placement for bringing vessel to shore (Anchorage 9), shore based operations to inert the cargo and fuel tanks (Pier 80), and final transit to shore to complete vessel repairs (Pier 70). [The ship owner's coordination team has arrived from Singapore and participating in the Unified Command.](#)
- One request for Cal OES Ports and Harbors ESC: Cal OES Ports and Harbors is the Unified Command's Liaison Officer: Unit consists of City and County of San Francisco (R. Dudgeon) and the Port of San Francisco (S. Sansom) (by phone) State and Federal Parks, and several marine sanctuaries. San Francisco's EOC is not activated. On Sunday the Liaison Unit may have additional reps. No other requests.

SITUATION SUMMARY

Cal EOC Incident – 2014 Drought

- SOC / Inland REOC remains activated in support of 2014 Drought

ACTIVE WEATHER WARNINGS, WATCHES and ADVISORIES:

- http://www.wrh.noaa.gov/sto/brief/wwa_bc_cal.php

WEATHER

WEATHER SYNOPSIS BY REGION:

NORTHERN CALIFORNIA AND CENTRAL COASTAL AREAS:

Eureka Weather:

High pressure offshore will bring fair weather to northwest California fair today. An upper level ridge will build over the West Coast Tuesday and Wednesday resulting in higher temperatures and drier conditions across the interior.

San Francisco Weather:

Expect typical summer weather with overnight clouds at most locations followed by sunny skies during the day. A ridge of high pressure will bring warmer weather to our area starting Wednesday and continuing through the weekend.

CENTRAL CALIFORNIA AND SOUTHERN SAN JOAQUIN VALLEY

Sacramento Weather:

A weather system will drop down from the north today bringing a chance for a few showers and thunderstorms to the northern Sierra and Lassen Park area; otherwise, the remainder of interior Northern California will continue to see mild temperatures. High pressure rebuilds through the remainder of the week for a warming trend.

Hanford Weather:

Temperatures will continue to be near normal today as a trough pattern prevails over the West Coast. By Tuesday, high pressure will rebuild over the area and result in a minor warm up for the remainder of the week.

WEATHER

WEATHER SYNOPSIS BY REGION:

SOUTHERN CALIFORNIA:

Los Angeles Weather:

A broad trough of low pressure will remain over the western states through tonight. Night through morning low clouds and fog and a cooler air mass will prevail through early this week. High pressure will build mid-to-late week bringing a significant warming trend. High swells and surf can be expected between Tuesday and Thursday along south facing beaches of Southern California.

Extreme Southwestern California Including Orange, San Diego, Western Riverside and Southwestern San Bernardino Counties:

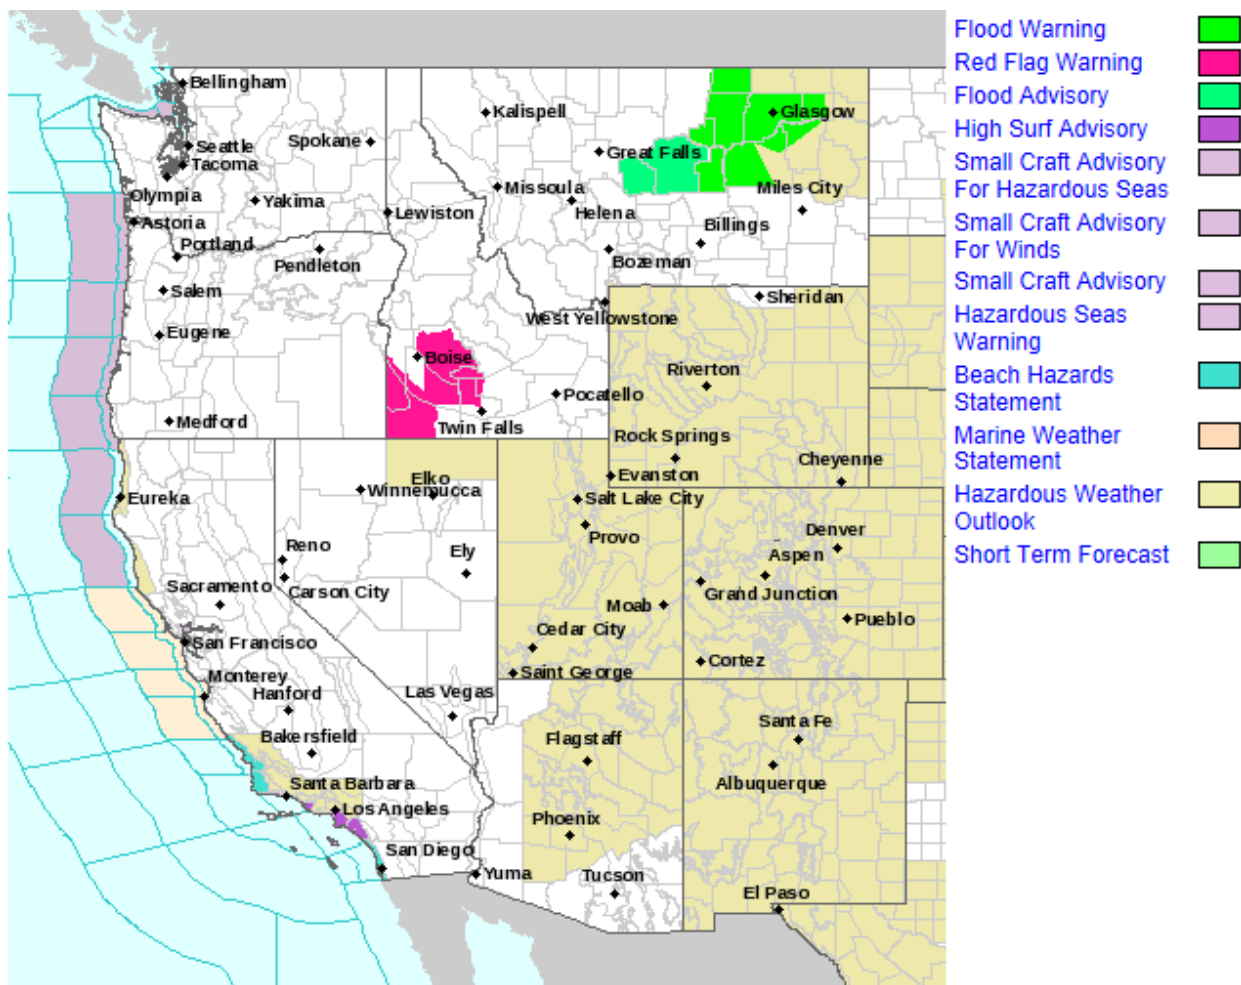

Through Tuesday, a low pressure system moving into the Great Basin will maintain stronger onshore flow with slightly below average high temperatures and gusty west winds in the mountains and deserts during the late afternoon through late evening. For Wednesday through Friday, high pressure over California will bring warming temperatures to slightly above average, followed by slow cooling for next weekend as onshore flow strengthens as a low pressure system moves inland through the Pacific Northwest.

Southeast California Weather:

A weather disturbance will approach the region later today and Tuesday pulling monsoon moisture northward and supporting increased chances for Thunderstorms. Storms may struggle to reach into lower desert locations through this evening. Much drier and tranquil warm weather is anticipated for the latter half of the week.

CAL OES ACTIVATIONS

Cal EOC Incident – 2014 Drought

- The SOC is activated at Level 2 in support of the Drought State of Emergency from 0800-1700 hours daily.
- The Inland REOC is activated at Level 2 from 0800-1700 Monday through Friday or as needed.
- The Southern REOC is activated at Level 1.
- The Santa Barbara County OA EOC is activated at Level 2 to be handled by the duty officer for the purpose of monitoring activities and gaining situational awareness. The operational period is Monday – Friday, 0800-1700 hours.

Situational Summary

On January 17, 2014 Governor Edmund G. Brown proclaimed a State of Emergency and directed state officials to take all necessary actions to prepare for drought conditions. The State Operation Center (SOC) is activated to implement objectives in support of the Governor's priorities. The lack of winter rain and snowfall has resulted in extremely dry conditions in many parts of the State. Reservoir levels are down significantly from where they should be on average for this time of year. If conditions continue severe impacts to municipal water supplies, agriculture (plants and livestock) and firefighting capabilities are likely in store for the State over the next few months. Negative economic impacts will also result.

The drought could result in severe impacts to the municipal water supplies, wells, agriculture (plants and livestock) and firefighting capabilities for several months. The SOC continues to be activated to monitor the situation statewide, and support regional and local operational areas.

- Current Reservoir Levels continue to decline. Levels as of August 20th : Don Pedro 42%; Exchequer 17%; Folsom Lake 40%; Lake Oroville 32%; Millerton Lake 47%; New Melones 24%; Pine Flat 12%; San Luis 20%; Lake Shasta 32%; Trinity Lake 31%; Pyramid Lake 94%; and Castaic Lake 44%.

- Emergency Drinking Water Procurement and Distribution Planning Guidance (rev. May 2014)
Significant changes have occurred to the structure of California's state government organization. Rapid advances in systems, science, and technology have helped emergency managers improve coordination, forecasting, and situational awareness. Because of these changes, the *Multi-Agency Emergency Response Procedures for Potable Water Procurement & Distribution* document has been replaced by the *Emergency Drinking Water Procurement and Distribution Planning Guidance*. The intent of this guidance document is to clarify the roles and responsibilities of the stakeholders involved in locating, procuring, and delivery of emergency drinking water¹ to populations in California. Consequently creating a framework for agencies and organizations to work together to enhance preparedness.

Situational Summary

- State Board Mandatory Conservation Regulations Now in Effect: The state's first-ever emergency regulations mandating urban water conservation became effective will be in effect until April 25, 2015.
http://www.waterboards.ca.gov/waterrights/water_issues/programs/drought/emergency_regulations_waterconservation.shtml
- The 2014 Governor Drought Task Force continues to meet regularly to take actions that conserve water and coordinate state response to the drought.
- Cal OES continues to gather drought-related costs from state agencies and local governments.

CAL OES MISSIONS

New Cal OES Missions

2014-LAW-5230, Monterey County requesting SAR resources to aid in the search for an injured person within their county. Cal OES LDO coordinating resources.

2014-LAW-5226, International Emergency Response Coordination Center (IERCC) advised of a SPOT device activation in Alpine County. Cal OES LDO coordinating resources to locate and silence device.

Ongoing Cal OES Missions

2014-LAW-4996 8/16/14 2239 hours: The Monterey County Sheriff's Office (MCSO) requested 16 Type II ground personnel and 4 Type I ground personnel to assist in the search for a missing hiker. The hiker had left China Camp to hike a 24 mile portion of the Pine Ridge trail, ending at Big Sur. He told his contacts that he would complete the hike by Friday, Aug 15. He did not complete the hike as expected and did not show up for work on Aug 16. Monterey is requesting the resources for an operational period to begin on Aug 17 at 0800. LDO is coordinating the requested resources. **Update 8/22/14:** The numbers of Type I mutual aid searchers (listed in the 8/21/ update) for Sat/Sun Op Periods have increased to more than 50. MCSO has vetted/approved the increase. The AFRCC confirmed they cannot support the extraction mission on Sunday, 8/24. In an attempt to secure one or more helicopters (depending on size/capacity), LDO contacted numerous local agencies around the state but thus far only Santa Clara (an EC120 Eurocopter) and CHP H-40 are able to assist. Because of the numbers of personnel needing to be extracted, coupled with the limited capacity of the Santa Clara and CHP helicopters, the Law Branch is attempting to secure a larger airship to ensure Sunday's mission is completed in as short a time as possible. Sacramento County Sheriff's Dept. is considering the request and will advise sometime today. **Update 8/23/14:** The mission Sunday, 8/24 will be to extract personnel on the mountain beginning at 1200 hrs. The Guard, with their UH60, will work in conjunction with CHP's H-40. **Mission Ongoing.**

CAL OES EXERCISES

Oroville Dam Emergency Action Plan Exercise, Butte County (No Change)

- August 27th, Oroville Dam Emergency Action Plan Exercise – Cal OES Inland Region Staff and Cal OES T-Comm Staff will participate in this functional exercise.
- An MRT has been created to provide a MIGU for communications during the Exercise.
- The Warning Center and Region may receive notifications as a result of this Exercise on August 27th.

Mission:

We protect lives and property, build capabilities, and support our communities for a resilient California.

We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.
